		corporate debt securities in accordance with the directions issued by RBI and SEBI from time to time. The gross exposure of the Scheme to repo transactions in corporate debt securities shall not be more than 10% of the net assets of the Scheme or such higher limit as may be specified by SEBI. Further, such investment shall be made subject to the guidelines which may be prescribed by the Board of Directors of the Asset Management Company and Trustee Company.	
7.	Investment in Short Term Deposits	Pending deployment of the funds in securities in terms of investment objective of the Scheme, the AMC may park the funds of the Scheme in short term deposits of the Scheduled Commercial Banks, subject to the guidelines issued by SEBI from time to time. Investment in liquid schemes or schemes that invest predominantly in money market instruments/ securities will be made for funds pending deployment.	Para 12.16 of SEBI Master circular dated June 27, 2024
8.	Credit Default Swaps.	The Scheme shall not invest in Credit Default Swaps.	-

#### Derivatives

The scheme may use 100% of net assets of Equity & Equity related instruments derivative exposure only for hedging purpose. Further, in case of other than hedging purpose, the scheme shall not exceed 50% of net assets. For example, if the scheme uses 50% of net assets for hedging purpose then the scheme shall use other 50% for other than hedging purpose and if the scheme uses 100% of net assets for hedging purpose then the scheme shall use other 50% for other than hedging purpose and if the scheme uses 100% of net assets for hedging purpose then the scheme shall not use any exposure for other than hedging purpose. The cumulative gross exposure through equity, debt, derivative positions (including fixed income derivatives), repo transactions, Real Estate Investment Trusts (REITs), Infrastructure Investment Trusts (InvITs) and such other securities/assets which will be subject to SEBI approval in line with Regulation 18 (15A) of SEBI (Mutual Fund) Regulations, 1996, in case of any modification/changes in the SID of the scheme. The Scheme may use derivatives for such purposes as maybe permitted by the Regulations, including for the purpose of hedging and portfolio balancing, based on the opportunities available and subject to guidelines issued by SEBI from time to time.

The cumulative gross exposure through equity, debt (including money market instruments), units issued by REITs & InvITs and derivative position should not exceed 100% of the net assets of the Scheme in accordance with Clause 12.24 of SEBI Master Circular dated June 27, 2024.

#### **Portfolio Rebalancing**

The investment pattern stated above is indicative and may be changed due to market conditions. The proportion of the scheme invested in each type of security will vary in accordance with microeconomic & macroeconomic conditions, interest rates, and other relevant considerations. These instances may be beyond the control of the fund manager & the AMC and hence may require such deviations only with the prior approval of SEBI. Such changes in the investment pattern will be transitionary in nature and will be undertaken as defensive considerations only in accordance with Clause 1.14.1.2 of SEBI Master Circular dated June 27, 2024. Defensive considerations may be determined by the fund manager and in case of deviations on account of exogenous factors, the fund manager will endeavor to rebalance the Scheme within 30 calendar days from the date of such deviation. The intention being at all times to seek to protect the interests of the Unit holders. The risks associated with each investment are an important factor as well. The net assets of this scheme shall predominantly be invested as per the investment pattern stated above.

In the event of any deviations from the mandated asset allocation as mentioned above due to passive breaches, portfolio rebalancing will be carried out by the AMC/Fund Manager within 30 business days of the date of the said deviation. This rebalancing will be subject to prevailing market conditions and in the interest of the investors. In case the rebalancing is not done within the specified period of 30 business days, the matter would be recorded in writing and shall be placed before the Investment Committee. The Investment Committee shall record the reason in writing leading the reason for falling the exposure outside the asset allocation and if so desires, the Committee shall extend the timelines upto 60 (sixty) business days from the date of completion of mandated rebalancing period of 30 business days in line with Clause 2.9 of SEBI Master Circular dated June 27, 2024.

Further, in case, the portfolio of schemes is not rebalanced within the aforementioned both the timelines, the AMC shall:

a. Not launch any new scheme till the time the portfolio is rebalanced.

b. Not levy exit load, if any, on the investor exiting the scheme.

And in line with Clause 2.9 of Master Circular dated June 27, 2024, necessary reporting and disclosures shall be made to Trustees and investors in this regard

Investment Strategy	To achieve the investment objective, the scheme will primarily invest in equity and equity linked instruments of Large Cap and Mid Cap companies as defined by SEBI. The underlying theme driving the relative allocation will be QMML research's ability to identify cross asset, cross market inflexion points. This quantitative approach is based on our proprietary VLRT framework, wherein we incorporate the full spectrum of data along deeper aspects related to the three axis of Valuation, Liquidity, and Risk appetite and view it in a dynamic setting – Time, thus, forming the multi-dimensional VLRT framework. The formulation of this macro narrative guides our micro level stock selection. QMML's predictive analytics toolbox formulates a multidimensional research perspective to various asset classes. Research has shown that optimal entry and exit points into various asset classes can be identified through the identification of bouts of extreme greed and fear in the market. QMML differentiates itself by not only being able to identify bouts of greed and fear, but by its ability to quantify bouts of euphoria and capitulation. This helps guide us in identifying the optimal level of cash/debt allocation in the scheme. All investment decisions are based on quant money managers' investment framework – VLRT. In the face of this uncertainty and complexity, we have found consistent success by studying markets along four dimensions as opposed to limiting ourselves to any one school of thought: Valuation Analytics, Liquidity Analytics, Risk Appetite Analytics, and Timing. Valuation Analytics: Perceiving what drives market participants to certain actions and reactions. Time: Being aware of the cycles that govern how the other three dimensions interact. The Scheme may invest in overseas financial assets for the purpose of diversification provided they are commensurate with the scheme's objectives, as and when permitted by SEBI/RBI. The value of investment in financial assets dorther three dimensions in exchange rates as well as polit
Risk Profile of	Mutual Fund Units involve investment risks including the possible loss of principal. Scheme specific risk factors are summarized below:
the Scheme	Risk factors associated with investing in debt and money market instruments
	Credit Risk: Debt instruments carry a Credit Risk, which essentially implies a failure on the part of the issuer of the security to honour its principal or interest repayment obligations. This inability of a credit issuer to honour its obligation is generally a function of underlying performance of the asset, in terms of generating the requisite cashflows. Credit risks of debt securities are rated by independent rating agencies. These ratings range from 'AAA' (read as 'Triple A' denoting 'Highest Safety') to 'D' (denoting 'Default'), with intermediate rating agency lowering the rating on its debt instruments; this is likely to lead to a fall in the price of these instruments.
	Liquidity Risk: Liquidity risk for debt instruments refers to the possibility that there might not be a ready buyer for the debt instrument at a time when the scheme decides to sell it. Liquidity risk is generally a function of the issuer (government securities are generally more liquid than corporate bonds), ratings (higher rated instruments are generally more liquid), and tenure (near tenure instruments are generally more liquid).
	Interest-Rate Risk: In case of fixed income bearing debt instruments, when interest rates rise, prices of the securities decline and when interest rates fall, the prices increase. The extent of sensitivity of a security to movement in interest rates is determined by its duration, which is a function of the existing coupon, the payment-frequency of such coupon, and days to maturity. Floating rate securities, with coupon linked to market interest rates have

le	ess sensitivity to interest rate risk.
in	Re-investment Risk: Investments in fixed income securities carry re-investment risk as neterest rates prevailing on the coupon payment or maturity dates may differ from the original coupon of the bond.
th T th	Prepayment Risk: Certain fixed income instruments come with a 'call option' which give he issuer the right to redeem the security through prepayment before the maturity date. This option is generally exercised in periods of declining interest rates, and will result in he scheme having to reinvest the proceeds of prepayment at lower yields, resulting in ower interest income.
le	Basis Risk: The underlying benchmark of a floating rate security or a swap might become ess active or may cease to exist and thus may not be able to capture the exact interest ate movements, leading to loss of value of the portfolio.
m le cl	Spread Risk: In a floating rate security the coupon is expressed in terms of a spread or nark up over the benchmark rate. In the life of the security this spread may move adversely eading to loss in value of the portfolio. The yield of the underlying benchmark might not change, but the spread of the security over the underlying benchmark might increase eading to loss in value of the security.
le	iquidity Risk: The liquidity of a bond may change, depending on market conditions eading to changes in the liquidity premium attached to the price of the bond. At the time of selling the security, the security can become illiquid, leading to loss in value of the portfolio.
in se b	iquidity Risk on account of unlisted securities: The liquidity and valuation of the Schemes' nvestments due to their holdings of unlisted securities may be affected if they have to be old prior to their target date of divestment. The unlisted security can go down in value before the divestment date and selling of these securities before the divestment date can ead to losses in the portfolio.
at	Settlement Risk: Fixed income securities run the risk of settlement which can adversely iffect the ability of the fund house to swiftly execute trading strategies which can lead to adverse movements in NAV.
Fo	or details on risk factors and risk mitigation measures, please refer SID.

investment in each scheme.

Further, CAS issued for the half-year (October/ April) shall also provide

The amount of actual commission paid by AMC/Mutual Fund to distributors (in absolute terms) during the half-year period against the concerned investor's total investments in each scheme.

The Scheme's average Total Expense Ratio (in percentage terms) along with the break up between Investment and Advisory fees, Commission paid to the distributor and Other expenses for the period for each scheme's applicable plan (regular or direct or both) where the concerned investor has actually invested in. The word transaction will include purchase, redemption, switch, IDCW payout, IDCW reinvestment, systematic investment plan, systematic withdrawal plan and systematic transfer plan.

### For Unitholders not holding Demat Account:

For Unit Holders who have provided an e-mail address to the Mutual Fund or in KYC records, the CAS is sent by e-mail. However, where an investor does not wish to receive CAS through email, option is given to the investor to receive the CAS in physical form at the address registered in the Depository system

In view of the aforesaid requirement, for investors who hold demat account, for transactions in the schemes of quant Mutual Fund, a CAS, based on PAN of the holders, will be sent by Depositories to investors holding demat account, for each calendar month to investors that have opted for delivery via electronic mode (e-CAS) by the twelfth (12th) day from the month end, and to investors that have opted for delivery via physical mode by the fifteenth (15th) day from the month end.

The depositories shall dispatch the CAS to investors that have opted for delivery via electronic mode, on or before the eighteenth (18th) day of April and October and to investors that have opted for delivery via physical mode, on or before the twenty-first (21st) day of April and October.

The AMC shall identify common investors across fund houses by their Permanent Account Number (PAN) for the purposes of sending CAS. In the event the account has more than one registered holder, the first named Unit Holder shall receive the Account Statement.

## For Unitholders holding Demat Account:

SEBI vide its circular no. CIR/MRD/DP/31/2014 dated November 12, 2014 read with other applicable circulars issued by SEBI from time to time, to enable a single consolidated view of all the investments of an investor in Mutual Fund and securities held in demat form with Depositories, has required Depositories to generate and dispatch a single CAS for investors having mutual fund investments and holding demat accounts.

For Unit Holders who have provided an e-mail address to the Mutual Fund or in KYC records, the CAS is sent by e-mail. However, where an investor does not wish to receive CAS through email, option is given to the investor to receive the CAS in physical form at the address registered in the Depository system

In view of the aforesaid requirement, for investors who hold demat account, for transactions in the schemes of quant Mutual Fund, a CAS, based on PAN of the holders, will be sent by Depositories to investors holding demat account, for each calendar month to investors that have opted for delivery via electronic mode (e-CAS) by the twelfth (12th) day from the month end, and to investors that have opted for delivery via physical mode by the fifteenth (15th) day from the month end.

The depositories shall dispatch the CAS to investors that have opted for delivery via electronic mode, on or before the eighteenth (18th) day of April and October and to investors that have opted for delivery via physical mode, on or before the twenty-first (21st) day of April and October.

In case of demat accounts with nil balance and no transactions in securities and in mutual fund folios, the depository shall send account statement in terms of regulations applicable to the depositories. Investors whose folio(s)/ demat account(s) are not updated with PAN shall not receive CAS.
Consolidation of account statement is done on the basis of PAN. Investors are therefore requested to ensure that their folio(s)/ demat account(s) are updated with PAN. In case of multiple holding, it shall be PAN of the first holder and pattern of
Investors who do not wish to receive CAS sent by depositories have an option to indicate their negative consent. Such investors may contact the depositories to opt out. Investors who do not hold demat account continue to receive CAS sent by RTA/AMC, based on the PAN, covering transactions across all mutual funds as per the current practice.
In case an investor has multiple accounts across two depositories; the depository with whom the account has been opened earlier will be the default depository.
The dispatches of CAS by the depositories constitute compliance by the AMC/ the Fund with the requirement under Regulation 36(4) of SEBI (Mutual Funds) Regulations. However, the AMC reserves the right to furnish the account statement in addition to the CAS, if deemed fit in the interest of investor(s).
Investors whose folio(s)/demat account(s) are not updated with PAN shall not receive CAS. Investors are therefore requested to ensure that their folio(s)/demat account(s) are updated with PAN.
For folios not included in the CAS (due to non-availability of PAN), the AMC shall issue monthly account statement to such Unit holder(s), for any financial transaction undertaken during the month on or before 15th of succeeding month by mail or email.
For folios not eligible to receive CAS (due to non-availability of PAN), the AMC shall issue an account statement detailing holding across all schemes at the end of every six months (i.e. September/March), on or before 21st day of succeeding month, to all such Unit holders in whose folios no transaction has taken place during that period shall be sent by mail/e-mail.
Option to hold units in dematerialised (demat) form
Investors shall have an option to receive allotment of Mutual Fund units in their demat account while subscribing to the Scheme in terms of the guidelines/ procedural requirements as laid by the Depositories (NSDL/CDSL) from time to time.
Investors desirous of having the Units of the Scheme in dematerialized form should contact the ISCs of the AMC/Registrar.
Where units are held by investor in dematerialized form, the demat statement issued by the Depository Participant would be deemed adequate compliance with the requirements in respect of dispatch of statements of account.
In case investors desire to convert their existing physical units (represented by statement of account) into dematerialized form or vice versa, the request for conversion of units held in physical form into Demat (electronic) form or vice versa should be submitted alongwith a Demat/Remat Request Form to their Depository Participants. In case the units are desired to be held by investor in dematerialized form, the KYC performed by Depository Participant shall be considered compliance of the applicable SEBI norms.
Further, demat option shall also be available for SIP transactions. Units will be allotted based on the applicable NAV as per Scheme Information Document and will be credited to investors Demat Account on weekly basis on realization of funds.
Units held in Demat form are freely transferable in accordance with the provisions of SEBI (Depositories and Participants) Regulations, as may be amended from time to time. Transfer can be made only in favour of transferees who are capable of holding units and having a Demat Account. The delivery instructions for transfer of units will have to be

	lodged with the Depository Participant in requisite form as may be required from time to time and transfer will be affected in accordance with such rules / regulations as may be in force governing transfer of securities in dematerialized mode.
	For details, Investors may contact any of the Investor Service Centres of the AMC.
	Portfolio Disclosure
	1. AMC shall disclose portfolio (along with ISIN) as on the last day of the month and half-year (i.e. 31st March and on 30th September) for the Scheme on its website and on the website of AMFI within 10 days from the close of each month/ half-year respectively.
	2. AMC shall send the monthly and half-yearly statement of scheme portfolio via email to those unitholders whose email addresses are registered with AMC/Mutual Fund within 10 days from the close of each month and half-year respectively. The unit holders are requested to ensure that their email address is registered with AMC/Mutual Fund.
